Parish Charities

There are two historic charities in Breaston established for the benefit of poorer residents of the village:

- **The Matilda & George Abbott Charity**
  Established between 1909 and 1912.
- **The Charlton & Jerram Charity**
  Founded in 1712 through the generosity of John Charlton and Mary Jerram.

At this time of year, the accounts for both charities are usually examined and certified by the Clerk of the Parish Council. However, due to an ongoing change in bank accounts (not initiated by the charities), the treasurer has been unable to fully prepare the accounts.

Once this process is complete and the accounts are verified, the Clerk will publish them on the Parish Website.

We appreciate your understanding and patience.
