Footpaths & Walks

I am Brian Marshall, Footpath Warden for Breaston and Draycott and some maintenance and Walk Leader for Erewash Ramblers.
During 2024 I walked all the Footpaths in the Parish at least once some several times. I did some cutting back overhanging vegetation on FP16 and FP17. I reported BW2 (Coffin Walk) to DCC about the large areas of muddy and water filled puddles.

I was in touch with a Lady from EBC about the reintroduction of the Breaston Parish Walks that I reluctantly had to give up due to my Wife's failing health. This is still on going.

2025, I have walked all the Parish Footpaths, pleased to see Coffin Walk has been resurfaced, and been back to FP16 and FP17 cutting back some new overhanging branches., and will continue as time will allow.
Brian Marshall.
