A Chapel with History

Built in 1923, the chapel has long served the community with dignity and care.

Renovated in 1994, it continued to provide a beautiful setting for services before suffering significant flood damage between 2019 and 2024.

Carefully and thoughtfully restored, the chapel proudly reopened in 2025, ready once again to serve families in their time of need.

Breaston Cemetery Chapel

A peaceful setting for a meaningful farewell

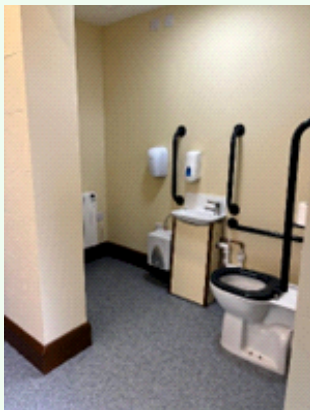

Nestled within the tranquil surroundings of Breaston Cemetery, our restored chapel, offers an intimate and comforting space for funeral and memorial services.

Seating approximately 50 people, with space for wheelchair users, the chapel provides a calm and reflective atmosphere for families and friends to gather and remember.

Comfort & Accessibility

- Seating for approximately 50 people
- Designated space for wheelchair users
- Step-free access
- Comfortable under-pew heating
- Accessible toilet facilities
- Peaceful, landscaped cemetery surroundings

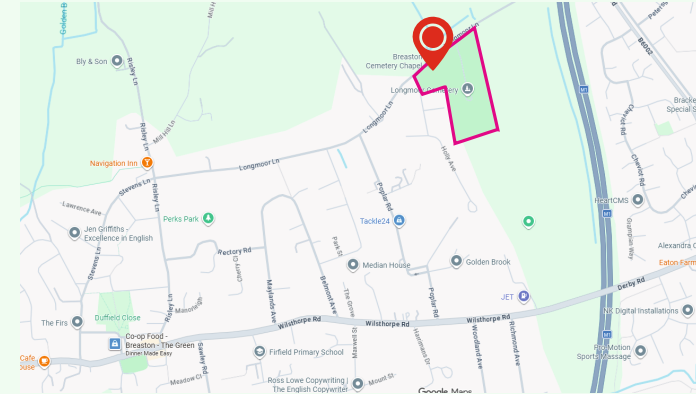

Convenient Location

Ideally situated for interments within:

Breaston Cemetery
and
Longmoor Cemetery

The chapel's location allows families to move seamlessly from service to graveside.
