

Breaston May Day Gala – May 2026

The May Day Gala was originally organised to commemorate the Golden Jubilee of Queen Elizabeth II in 2002.

Following its success, it was agreed that the event should continue annually, providing local clubs and organisations with a valuable platform to showcase their work, engage with the community, and raise important funds.

Over the years, the Gala has gone from strength to strength, and we believe it is fair to say that it is enjoyed immensely by everyone who attends.

We are extremely lucky that local groups come to the Gala to display their dancing and singing. It is lovely to see the children enjoying their special time in front of their family.

Dako Flying Angels always provide a brilliant display and we look forward to them returning next year.

Thank you to all of our stall holders, who make the day so enjoyable for everyone,

Thank you
